- * turn pages, 2 or 3 at a time
- * imitate housework
- * recognize familiar pictures and know if they are upside down
- * ask for items by name
- * use two words together
- * make circular strokes with a pencil

At 9-12 months, I should be able to:

- * pull to stand
- * take a few steps while holding on
- * copy your sounds
- * drop and throw objects
- * use 1-3 words
- * hold my bottle

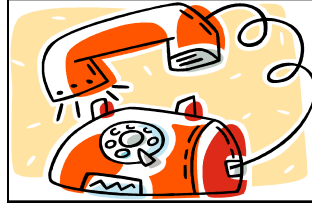

At 24-36 months, I should be able to:

- * stand on one foot for a moment
- * walk up stairs
- * ride a tricycle
- * feed myself
- * open a door
- * jump in place
- * tell you when I need to use the toilet
- * partially dress and undress
- * share toys
- * use 3 word sentences
- * name at least one color

If I am not meeting these milestones, I might need help. If we live in Pinellas County or Pasco County, please call (727) 767-4403 or 1 (800) 374-4334.

Love,
Your Baby
